## About The Program

The Office of Youth and Family Services is now offering comprehensive Child Care Programs at the M.L.K. Center. Parents needing before school care may drop their children at the M.L.K. Child Care Center as early as 7:00 a.m. We will care for your infant or toddler or in the case of School Aged Children arrange for them to be bused to their respective school by the start of classes.

Children in any elementary school can be bused to our after school program at the M.L.K. Child Care Center at the end of the school day. We will care for your child until the 5:30 p.m. pick up time or they can stay with us in late care until 6:00 p.m. Meals are provided free to all participants.

The Department of Youth Services is a New York State Licensed Child Care Provider, and as such is able to offer financial assistance to qualified parents. We provide quality, safe, and enriching care in a wholesome environment that caters to the needs of working parents.
